Well, don't look now but there goes a rattle mouse
How can I tell how did he smell?
He doesn't smell and you can't find him just by sniffin'
But you'll hear him when he's rattlin' round your kitchen

Yep, that's a rattle mouse
Oh, that's a rattle mouse
I bet that's a rattle mouse

There it is again yep that's a rattle mouse
How did I know where did he go?
You can't see him when he travels he goes zoom
But you'll hear him when he's rattlin' round your room

Yep, that's a rattle mouse
Oh, that's a rattle mouse
Yep, that's a rattle mouse

Did you hear that that was a rattle mouse?
How did I guess how was he dressed?
He was wearin' a little fur coat and a little fur face
And you'll hear him when he's rattlin' round your place
