You know what I've been doin' honey since you said
goodbye
I've been gettin' close to walkin' my one millionth mile
I walked the floor so much just thinkin' where could you
be
St. Louis named a shoe after me

St. Louis is famous for its shoes don't you know
Loafers and sneakers and they're makin' them all with
soul
Honey I walked so doggone much since you set me
free
St. Louis named a shoe after me

When I was walkin' all night long and steppin' on my
tears
It never dawned on me that someone out there really
cared
I walked the floor so well I'm gonna do it on TV

free
St. Louis named a shoe after me

Well, don't think that I'm braggin' I don't care about
that shoe
Come on home before they name a river for me too
They're just feeling sorry for me that's plain to see
