Oh Vanessa holding up time with her beautiful velvet
eyes
She danced in the rained, got lost in our games
Turned our backs to the world at night
Fell asleep in the grass

Watch out for the passing, of seasons
As days take our innocence
We curled up in safe
But we cannot breach
The summer too soon for Vanessa

oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh

She's beautiful before she starts to cry
How many stars reflected in her eye
Vanessa

oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh

She's beautiful when she starts to cry
How many stars reflected in her eye
Vanessa

oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
oohhh oohhh oooh oohhh
