Here she comes
You better watch your step
She is going to break your heart in two
It's true

It's not hard to realize
Just look into her false colored eyes
She'll build you up just to put you down
What a clown

'cause everybody knows
She's a femme fatale
The things she does to please
She's a femme fatale
She's just a little tease
She's a femme fatale
See the way she walks
Hear the way she talks

You're written in her book
You're number 37
Have a look
She is going to play you for a fool
Yes, it's true

Little boy she's from the street
Before you start you're already beat
She is going to smile
Just to make you frown
Oh, what a clown

'cause every body knows
She's a femme fatale
The things she does to please
She's a femme fatale
She's just a little tease
She's a femme fatale
See the way she walks
Hear the way she talks

'cause everybody knows
She's a femme fatale

The things she does to please
She's a femme fatale
She's just a little tease
She's a femme fatale

Wow-oh-wow-ow-wow
She's a femme fatale ...
