Little Eva, little Eva
She's the dreams from hell
She paints pictures
Scary pictures

She's got things to tell
She doesn't feel too hot
About the world today
She doesn't know she's got
Control in anyway

Don't you leave her she's like a fire
Like a tiny flame dancing in the wind
Don't believe her she'll never tire
She'll make me feel like you never sin

Dancing, dancing
Dancing in the wind
Dancing, dancing
Dancing in the wind

Little Eva feeling tiny
Waltzes through the door
Little Eva eats the candy
She finds there on the floor

'Cause they say what's cruel
Proves to change her style
You don't have to be a fool
To miss the nature of her smile

Don't you leave her she's like a fire
Like a tiny flame dancing in the wind
Don't believe her she'll never tire
She'll make me feel like you never sin

Dancing, dancing
Dancing in the wind
Dancing, dancing
Dancing in the wind

Don't you leave her she's like a fire

Like a tiny flame dancing in the wind
Don't believe her she'll never tire
She'll make me feel like you never sin

Dancing, dancing
Dancing in the wind
Dancing, dancing
Dancing in the wind
