Lorelei
Maybe you like a little melody
It's not the words that move me

Lorelei, Lorelei, Lorelei
Maybe you like a lullaby
Now I can't remember why

Lorelei, Lorelei, Lorelei
Intuition's leading us where
I don't know yet

Lorelei, Lorelei
Something's happening
Hard to place it, hard to hide it

Lorelei, Lorelei
What is happening
I'm not sure, I guess you know it
Lorelei, Lorelei

Deep in the jungle of thought
There comes a clearing
And in the clearing, there is a pool

The pool is deep, the water cool
This is the thought
The thought is you

Lorelei, Lorelei, Lorelei
Intuition's leading us where
I don't know yet

Lorelei, Lorelei
Something's happening
Hard to place it, hard to hide it

Lorelei, Lorelei
What is happening
I'm not sure, I guess you know it

Lorelei, Lorelei

Across the wasted plain
Across the twisted dunes
Beyond the colored lights
The mountain looms

The air is thin, the door within
The sea of light, the light is you

Lorelei, Lorelei, Lorelei
Lorelei, Lorelei, Lorelei
