I wanna get roots straight right now
I'm not jokin', see?

Soul fire, soul fire, soul fire
An' we ain't got no water
Soul a-burnin', soul a-burnin', soul a-burnin'
Water comin', water comin', water comin'
Soul fire

Burnin' in my soul, burnin, ' burnin', burnin' in my soul

Soul fire, soul fire, soul fire
An' we ain't got no water
We don't have no water
Soul a-burnin', soul a-burnin'
An' we ain't got no water, ain't got no water
Burnin' in my soul (Soul, soul, soul), burnin, ' burnin',
burnin' in my soul (Soul, soul)
There's a burnin' fire deep down inside
Dat ball a fire shall be my guide
A burnin' fire down in my soul
Dat ball a fire shall take control
Diggy boom-boom-boom
Diggy boom-boom-boom
Diggy boom-boom-boom
Diggy boom-boom-boom
Soul, there's a burnin' fire
Soul, a burnin' fire
Dat ball a fire shall take control
Soul a-burnin', water comin'
Soul fire
We ain't got no water
There's a burnin' fire
Dat ball a fire shall be my guide
A burnin' fire
Dat ball a fire shall take control
A burnin' fire
