Turn on the people
Turn on the people
Turn my people on
Turn my people on
Turn on the people
Turn on the people
Turn my people on
Turn my people on
Inside the heart, chocolate pink
Under the vein, shimmering blue
Deep in the bone, green with desire
Inside this breath, brand new
It's all good
It's all good
It's all good
It's all good
Turn on the people
Turn on the people
Turn my people on
Turn my people on
Turn on the people
Turn on the people
Turn my people on
Turn my people on
Outside the night, Northern Lights
Beneath the moon, Silver Pearl
Smoke in the trees, Purple Star
Out of this crazy world

High in the sky, Kali Mist
Down to the roots African Queen
Beyond the clouds' Swazi Haze
Shaman in a super dream
It's all good
It's all good
It's all good
It's all good
Turn on the people
Turn on the people
Turn my people on
Turn my people on
Turn on the people

Turn on the people
Turn my people on
Turn my people on
Turn on the people
Turn on the people
Turn my people on
Turn my people on
Turn on the people
Turn on the people
Turn my people on
Turn my people on

It's all good
It's all good
It's all good
It's all good
It's all good
It's all good
It's all good
It's all good
It's all good
It's all good
