Who feels it, knows it  
Who loves it, shows it  
Who feels it, loves it  
Who knows it, shows it

Wicky-wicky, here comes my genius  
Killin' me wicked with his stylus  
Slap it on the turntable, DJ  
Won't you play for me Marvin Gaye?  
Invisible Scratch 'n' Pickles  
Beastie Boys, thrills and tickles  
Beat Junkies, make it funky, please  
Fela Kuti is no Zombie  
Scratch it up, here comes my genius  
Grandmaster Flash and the Furious  
Nasty licks, they are serious  
"The Message," delirious  
Do Boy's a genius chameleon  
Africa Bambaataa holds dominion  
Fugees on the scene like a Felini dream  
Salvation's here Ñi la Al Green  
Who feels it, knows it  
Who loves it, shows it  
Who feels it, loves it  
Who knows it, shows it

(C'mon) Do you wanna get jiggy with a genius?  
Hardest workin' man in the business  
Shufflin' grooves from the underground  
Nobody move, must be James Brown  
Wu Tang, mix it up sinuous  
Big Baby Jesus he's a genius  
My Manu D'Bango  
Rockin' the mic like Chango (C'mon)

(Oops si mama)

(Yes, yes ya'll)

Sticky-sticky finger on a fader  
A-slippin'-and-a-slidin' with the Raida  
Here is transportation to heaven

Props to the chops of the X-men  
Wally Badarou is a genius  
DJ Babu, spontaneous  
Bernie Worrell, a visionary  
Play for me Lee Perry

Pass the Peas to the JB's  
Whatcha gonna do with a broken heart?  
Sip Cristal, burn up the chart  
Whatcha gonna do when they put you down?  
Move to the tip, groove underground  
Whatcha gonna do when you miss your mark?  
Chill out; choose a brand new start  
How does it feel to be back on top?  
It's good, un-huh, and you don't stop  
Who feels it, knows it  
Who loves it, shows it  
Who feels it, loves it  
Who knows it, shows it

(Oops si mama)

(Yes, yes ya'll)

No one can sing quite like Otis, Otis Redding

(C'mon, c'mon, c'mon, c'mon, c'mon, c'mon, yeah)

Whatcha gonna do with a broken heart?
