"There is still so much to see
There is still so much to do
I can't be more than halfway through

I know I'm wasting precious time
But I'll take it in my stride
I've got a lot of things to put right

Dont' get upset
It's not my time yet
I ain't saying my goodbyes

You can't take life outta me
You can't take it out on me
I know a good enough reason will come along

I can't tell you how it feels
Ain't no other way you'll heal
All these young men obsessed with death

Don't get upset
It's not my time yet
I ain't sayin my goodbyes

You don't get upet"
