There is still so much to see, there is still so much to do
I can't be more than half way through
I know I'm wasting precious time but I'll take it in my
stride
I've got a lot of things to put right

Don't get upset, it's not my time yet
I ain't saying my goodbyes
Don't get upset, it's not my time yet
I ain't saying my goodbyes

You won't take life out of me, you can't take it out on
me
I know a good enough reason will come along
Oh, I can't tell you how it feels, ain't no other way you'll
heal
All these young men obsessed with death

Don't get upset, it's not my time yet
I ain't saying my goodbyes
Don't get upset, it's not my time yet
I ain't saying my goodbyes

You don't get upset, you don't get upset
You don't get upset, you don't get upset
