(Verlaine)
I see you impersonate
A fire on the walkout
It's a wonderful performance
Really it is
How you remind me...
It's the pattern on your blouse
It's really so funny
It gets me so aroused
Very very cordially yours
(say, what you in for?)
Very most sincerely yours
Signed Mr Blur
Locked up fifteen times
Everyday
Just because I have to
In every way
Walk out of the walkout
It's really so funny!!!
Put on your clothes
Stop jumpin on my head
Very most sincerely yours,
Signed Mr Blur
