"Sleepwalker"

In the dark of the night

I rise off my bed

First I see the stars

Then the moon - is full

I walk around throughout the night

But I don't recognize

It is the ce-me-ta-ry

I see the grave of my father

I begin to dig it up

Got the rotten bones

Crack 'em - burn the SOUL

I walk around throughout the night

But I don't recognize

It is the ce-me-ta-ry

Crosses - candles in the wind

My sleep is deep

No chance to wake me up

That would kill ME !

I walk around throughout the night

But I don't recognize

It is the ce-me-ta-ry
