

Karkadens, The "The Ancient Times"

Visit "[The Ancient Times](#)" on MotoLyrics.com

Unleash the beast within
feel the need for blood
taste the warmth of flesh
and fight to survive
Life is war !
Go back in time
for human nature
find the roots
of yourself !
Anger out of nothingness
The cold of the ancient times
The epoche of the pure
Dark nights of betrayal
alightened by the grimson moon
Cruelty with no mercy
for there shall be no peace !
