Walking through forrests
as the light goes dim
He feels so strange
and looks behind him
Silence everywhere
A scream breakes through the night
Without knowing where to go
He wanders through the dark
Can you hear the calling evil ?
Can you feel its magic spell ?
Seduced by the darkest powers
You will give your soul away
A lightning strikes
And cracks up the earth
Now it's time
For hells' rebirth
Dark Angels
Rising from below
He's not afraid
Follows the way they show
Meeting Scheitan

His mind was changed

He's still alive

But his soul is dead
