Please don't take the blame

Can you feel me here
Looking down on you
And can we know
The pain you're going through

Someday soon
Maybe you won't feel the pain
One day soon
Maybe you won't take the blame
[4x]

Please don't take the blame

Can you feel me here
Looking down on you
And can we know
The pain you're going through

Someday soon
Maybe you won't feel the pain
One day soon
Maybe you won't take the blame

Someday soon
Maybe you won't feel the pain
One day soon

Someday soon
Maybe you won't feel the pain
One day soon
Maybe you won't take the blame
[2x]
