My head is a-spinning 'round
My heart is in my shoes
I went and set the Thames on fire
Now I must come back down

She's laughing in her sleeve, boys
I can feel it in my bone

Anywhere, anywhere I wanna lay my head
I wanna call my home

I see that the world is upside down
Seems that my pockets were filled up with gold
And now a cloud gonna cover everything up
And the wind's blowing cold

I don't need anybody
Because I learned
I learned to be alone

I said anywhere, anywhere
Anywhere I lay my head, boys
I will call my home
