[Vic-E]

Au-to-matic

Doo doo doo doo doo doo

Doo doo doo doo doo doo

Doo doo doo doo doo

Repeat above

[T-Boz]

I remember when I fell for you

It wasn't when I wanted to

But you were acting so into me

(Au-to-matic)

Went real good for a month or two

Just like every relationship

We gotta honor, trust too

And can't get it, baby

[Chilli]

1 - I knew when you started to change

We could never be the same

I could do it when you do it to me

(Au-to-matic)

I knew if it came to be

We would get a chance to see

A side of each other

That we both didn't know

[All]

2 - What do you do to make me feel

So good for so long

Then take it back

And expect me to be alone

I feel you're cruel

But if you're gonna do me wrong

I'll get you back

Baby that's just, just automatic

[T-Boz]

I remember when I met  
The man with all the confidence  
Every day was promises to me  
(Au-to-matic)  
Then you stepped way out of line  
Cheat on me too many times  
I'm tryin' put you down  
On what comes around goes back around, yeah

Repeat 1

Repeat 2

What do you do  
To make it feel so good, baby  
Then take it back  
And I wanted to be your lady  
I feel you're cruel  
But if you're gonna act crazy  
I'll get you back  
Baby that's just, just automatic

[Vic-E]  
That's..Just...Au-to-matic

[T-Boz]  
(What do you do)  
That's just, just automatic  
That's just, just  
(Then take it back)  
That's just, just automatic  
That's just, just oh  
(I feel you're cruel)  
That's just, just automatic  
That's just, just  
(I'll get you back)  
That's just, just automatic  
That's just, just baby

(What do you do)  
Doo doo doo doo doo doo  
Doo doo doo doo doo doo  
(Then take it back)  
Au-to-matic

Repeat above

Baby that's just, just automatic

[Vic-E]  
Au-to-matic

Au-to-matic  
Au-to-matic  
Au-to-matic  
Au-to-matic  
Au-to-matic
