Good mornin mr. snip snip snip witchur haircut jus as
short as mine
Bay rum lucky tiger butch wax cracker jacks shoe shine
jaw breaker
Magazine racks hangin round the barber shop a side
burnin close crop
Mornin mr. furgeson what's the good word witcha been
Stayin outa trouble like a good boy should I see you're
still cuttin hair

Well I'm still cuttin classes I just couldn't hep myself
I got a couple of passes to the ringle bros. barn bail
circus afternoon
I see you lost a little round the middle and your lookin
reel good
Sittin on the wagon stead of under the hood
What's the low down mr. brown heard you boy's leavin
town
I just bought myself a struggle buggy suckers powder
blue
Throw me over sports page cincinnati's lookin' good

Always been for pittsburgh lay you 10 to 1
That the pirates get the pennant and the series for their
done
You know the hair's gettin longer and the skirts gettin
shorter
You can get a cheaper haircut if you wanna cross the
border
Now if your mama saw you smokin why she'd kick your
ass
Put it out you little juvenile and put it out fast

Oh if I had a million dollars well what would I do
Proibly be a barber not a bum like you
Still gotchur paper route now that's just fine
Now you can pay me double cause you gypped me last
time
You be keepin little circus money and spend it on a girl
Know I give the best haircuts in the whole wide world
