Now you're gone, and it's hotels and whiskey and sad-
luck dames

And I don't care if they miss me, I never remember
their names

They say if you get far enough away, you'll be on your
way back home

Well, I'm at the station, and I can't get on the train

Must be blind love, only kind of love is stone blind love
Blind love, the only kind of love is stone blind love
With your blind love, oh it's blind love, stone blind love
It's your stone blind love

Now the street's turning blue, the dogs are barking and
the night has come

And there's tears that are falling from your blue eyes
now

I wonder where you are and I whisper your name

The only way to find you is if I close my eyes

I'll find you with my blind love, the only kind of love is
stone blind love

The only kind of love is stone blind love

The only kind of love is stone blind love

With your blind love, oh your blind love, your stone
blind love

It's your blind love, the only kind of love is stone blind
love

Stone blind love, the only kind of love is stone blind
love

With your blind love, the only kind of love is stone blind
love

Stone blind love, stone blind love
