Outside another yellow moon  
Punched a hole in the nighttime, yes  
I climb through the window and down the street  
Shining like a new dime  
The downtown trains are full  
With all those Brooklyn girls  
They try so hard to break out of their little worlds

You wave your hand and they scatter like crows  
They have nothing that will ever capture your heart  
They're just thorns without the rose  
Be careful of them in the dark  
Oh if I was the one  
You chose to be your only one  
Oh baby can't you hear me now

Will I see you tonight  
On a downtown train  
Every night its just the same  
You leave me lonely, now  
I know your window and I know its late  
I know your stairs and your doorway  
I walk down your street and past your gate  
I stand by the light at the four way  
You watch them as they fall  
They stay at the carnival  
But they'll never win you back

Will I see you tonight  
On a downtown train  
Where every night its just the same  
You leave me lonely  
Will I see you tonight  
On a downtown train  
All of my dreams just fall like rain
