Welcome

We've dedicated our entire album cover

To any person (T)

Who has ever sent us fan mail (L)

This is a journey into life (C)

Love, and the future of music (fanmail)

TLC would like to thank you for your support (Fanmail)

And just like you (Just like you)

They get lonely too (I get lonely too)

Ahhh (fanmail)

Ahhh (fanmail)

Ahhh (fanmail)

Just like you, we get lonely too

Ahhh (fanmail)

Ahhh (fanmail)

Ahhh (fanmail)

Just like you, we get lonely

[T-Boz]

Waited for you for so long

Too many days since January

I'm still sittin' Miss alone

We shoulda did this already

Said I got an email today

Kinda thought that you forgot about me

So I wanna hit you back to say

Just like you, I get lonely

1 - Baby, I could really get to know you

Take my time to show you

Don't tell anybody what we do

When I get lonely

Take me to another place where I'll be

Into space, just you and me with no rules

Just like you, I get lonely too

Just-like-you (fanmail)

Just-like-you (fanmail)

Just-like-you (fanmail)
Just like you, I get lonely too

Just-like-you (fanmail)
Just-like-you (fanmail)
Just-like-you (fanmail)
Just like you, I get lonely

[T-Boz]
Ready for us to get it on
Ain't got a love to call steady
Hope it ain't like that for long
I'll be your friend if you let me
Don't want to come on strong
Cause too many people wanna get me
But a girl will do what I gotta do
Just like you, I get lonely

Repeat 1

Just-like-you (fanmail)
Just-like-you (fanmail)
Just-like-you (fanmail)
Baby, cuz just like you, I get lonely too

Just-like-you (fanmail)
Just-like-you (fanmail)
Just-like-you (fanmail)
Oh, just like you, I get lonely
Just-like-you

[Left Eye]
Man we had all kinda sorts of conflicting fan mail and
letters
Some parents was like
"You're the thieves and the pimps and the thugs of
stage
And you owe every mother in America
A public apology"

Just like you, I get lonely too
Repeat above while:

[T-Boz & Chilli]
Every day I think I'm gonna meet ya
Can't wait 'till the day I see ya
Know that you just might be the one for me
(I get lonely too)

Every day I think I'm gonna meet ya
Can't wait till the day I see ya

Know that you just might be the one I need

Just-like-you

[Left Eye]

Be me, do what I believe in

And be myself and I suggest (T)

Everyone do the same thing, you do (L)

What makes you feel comfortable

Do what makes you feel and happy (C)
