I donâ€™t want to feel all cooped up
I feel like Iâ€™m on a chain
I got my ride all souped up
Weâ€™re never coming back again

Time it donâ€™t mean nothing
Money means even less
Donâ€™t bring nothin', baby
Youâ€™re better than all the rest

I wanna go get lost
I wanna go get lost
I wanna go get, I wanna go get lost

When you wear that real tight sweater
You know I canâ€™t resist
Itâ€™s been that way forever, baby
Ever since we kissed

Roll down all the windows
Turn up Wolfman Jack
Please, please
Ainâ€™t nothin' wrong with that

Letâ€™s go get lost, yeah
Letâ€™s go get lost, yeah
Letâ€™s go get lost, yeah
I wanna go get lost, yeah

Whatever that they told you about me
Well all of itâ€™s true
Youâ€™re never gonna be without me, baby
Iâ€™m never gonna be without you

Top it off, fill it with high test
Think about it whatcha gonna tell your boss
Think about it whatcha gonna tell your boss
Think about it whatcha gonna tell your boss
Think about it whatcha gonna tell your boss

And get lost, huh
I just wanna get, I just wanna get lost

I just wanna get, I just wanna get
I just wanna get, I just wanna get
I just wanna get, I just wanna get lost

All night long
All night long
All night long
All night long
