I'd sell your heart to the junkman baby  
For a buck, for a buck  
If you're looking for someone  
To pull you out of that ditch  
You're out of luck, you're out of luck

The ship is sinking  
The ship is sinking  
The ship is sinking

{Refrain}:  
There's a leak, there's a leak  
In the boiler room  
The poor, the lame, the blind  
Who are the ones  
That we kept in charge  
Killers, thieves and lawyers

{Chorus}:  
God's away, God's away  
God's away on business, business  
God's away, God's away  
God's away on business, business

Digging up the dead  
With a shovel and a pick  
It's a job, it's a job  
Bloody moon rising  
With a plague and a flood  
Join the mob, join the mob  
It's all over, it's all over  
It's all over

{Refrain}

{Chorus}

~ Instrumental ~

Goddamn, there's always  
Such a big temptation  
To be good, to be good

There's always free cheddar  
In a mousetrap baby  
It's a deal, it's a deal

{Chorus}

I narrow my eyes like a coin slot baby  
Let her ring, let her ring

God's away, God's away  
God's away on business, business
