Well I hope that I don't fall in love with you
'Cause falling in love just makes me blue
Well the music plays and you display
Your heart for me to see
I had a beer and now I hear you calling out for me
And I hope that I don't fall in love with you

Well the room is crowded, people everywhere
And I wonder, should I offer you a chair?
Well if you sit down with this old clown
Take that frown and break it, before the evening's
gone away
I think that we could make it
And I hope that I don't fall in love with you

Well the night does funny things inside a man
These old tom-cat feelings you don't understand
Well I turn around to look at you, you light a cigarette
I wish I had the guts to bum one
But we've never met
And I hope that I don't fall in love with you

I can see that you are lonesome just like me
And it being late, you'd like some some company
Well I turn around to look at you, and you look back at
me
The guy you're with has up and split
The chair next to you's free
And I hope that you don't fall in love with me

Now it's closing time, the music's fading out
Last call for drinks, I'll have another stout
Well I turn around to look at you, you're nowhere to be
found
I search the place for your lost face
Guess I'll have another 'round
And I think that I just fell in love with you
