I'll shoot the moon
Right out of the sky
For you baby
I'll be the pennies
On your eyes
For you baby
I want to take you
Out to the fair
Here's a red rose
Ribbon for your hair
I'll shoot the moon
Right out of the sky
For you baby
I'll shoot the moon
For you
A vulture circles
Over your head
For you baby
I'll be the flowers
After you're dead
For you baby
I want to build
A nest in your hair
I want to kiss you
And never be there
I'll shoot the moon
Right out of the sky
For you baby
I'll shoot the moon
For you
