Lonely, lonely, lonely
Lonely eyes, lonely face, lonely lonely in your place
Lonely, lonely
Lonely eyes, lonely face, lonely, lonely in your place

I thought that I'd do, all that there was to
Lonely, lonely, lonely
Melanie Jane, won't feel the pain
Lonely, lonely
Lonely eyes, lonely face, lonely, lonely in your place

And I thought that I'd do, all that there was to
Lonely, lonely
Lonely eyes, lonely face, lonely, lonely in your place
And I still love you, I still love you lonely, lonely
