[Tom Waits:] I wish I had a dollar for each time I took a chance

[Crystal Gayle:] On all those two bit Romeos who counterfeit romance

[Tom Waits:] Somehow always thinking of the last time I fell down

[Together:] Knowing that you fall in love once upon a town

[Tom Waits:] Down through the ages all will say just, said, don't spend your wages on love

[Crystal Gayle:]??? This graft??? inclusion but the intrusion, I'm proceeding foreclosures this over exposure

[Tom Waits:] Down at the crossroads a question is posed, bridge is washed out and the highway's closed

[Crystal Gayle:] Gotta have??? blue??? reason for??? blue??? believe, love was designed to exploit and deceive

[Tom Waits:]??? Your ass on a tandem??? wherever you send 'em, every??? ball and deep??? in your chest you will see, a simple addition, it keeps with tradition

[Together:] Don't spend your wages on love

[Tom Waits:] Taking it??? burgh??? in this silly old town, just gone main stream, drive all the way down

[Crystal Gayle:] You see love has a graveyard, not just for those that fell on their sabres and paid through the nose

[Tom Waits:] Your shovel is a shotglass, you dig your own hole, bury what's left of your miserable soul

[Crystal Gayle:] Down through the ages all of us say just, said, don't spend your wages on love

[Tom Waits:] Don't spend your wages on love

[Crystal Gayle:]??? This graft??? inclusion but the intrusion, I'm proceeding foreclosures this over exposure

[Tom Waits:] I'm preceding foreclosures this over exposure

[Crystal Gayle:] Down at the crossroads a question is posed, bridge is washed out and the highway's closed

[Tom Waits:] Down at the crossroads a question is posed, bridge is washed out and the highway's closed
