

Tom Waits **"Shiny Things"**

The things a crow puts in its nest,
They're always things it finds that shine.
And how he'll find a shiny dime,
Silver twine, from a valentine.
The crows all bring them shiny things.

Leave me alone you big ol' moon,
The light you cast is just a lighter.
You're like the crow, 'cause if it goes,
You're dressed to go, you guessed, I know,
You'll always bring them shiny things.

Well I'm not dancing here tonight,
But things are bound to turn around.
The only thing I want that shines,
Is to be king there in your eyes.
To be your only shiny thing.
