Step right up
Step right up
Step right up
Everyone's a winner, bargains galore
That's right, you too can be the proud owner
Of the quality goes in before the name goes on

One-tenth of a dollar
One-tenth of a dollar
We got service after sales
How 'bout perfume?
We got perfume
How 'bout an engagement ring?

Something for the little lady
Something for the little lady
Something for the little lady, hmm
Three for a dollar
We got a year-end clearance, we got a white sale
And a smoke-damaged furniture
You can drive it away today

Act now
Act now
And receive as our gift, our gift to you
They come in all colors, one size fits all

No muss, no fuss, no spills
You're tired of kitchen drudgery
Everything must go
Going out of business
Going out of business
Going out of business sale

Fifty percent off original retail price
Skip the middle man
Don't settle for less
How do we do it?
How do we do it?

Volume, volume, turn up the volume
Now you've heard it advertised, don't hesitate

Don't be caught with your drawers down
Don't be caught with your drawers down
You can step right up, step right up

That's right, it fillets, it chops
It dices, slices, never stops
Lasts a lifetime, mows your lawn
And it mows your lawn
And it picks up the kids from school
It gets rid of unwanted facial hair
It gets rid of embarrassing age spots
It delivers a pizza

And it lengthens, and it strengthens
And it finds that slipper that's been at large
Under the chaise longue for several weeks
And it plays a mean rhythm master
It makes excuses for unwanted lipstick on your collar
And it's only a dollar, step right up
It's only a dollar, step right up

'Cause it forges your signature
If not completely satisfied
Mail back unused portion of product
For complete refund of price of purchase
Step right up

Please allow thirty days for delivery
Don't be fooled by cheap imitations
You can live in it, live in it
Laugh in it, love in it
Swim in it, sleep in it
Live in it, swim in it
Laugh in it, love in it
Removes embarrassing stains from contour sheets
That's right

And it entertains visiting relatives
It turns a sandwich into a banquet
Tired of being the life of the party?
Change your shorts
Change your life, change your life
Change into a nine-year-old Hindu boy
Get rid of your wife

And it walks your dog, and it doubles on sax
Doubles on sax, you can jump back jack
See you later alligator
See you later alligator
And it steals your car
It gets rid of your gambling debts, it quits smoking

It's a friend, and it's a companion
And it's the only product you will ever need

Follow these easy assembly instructions
It never needs ironing
Well it takes weights off hips, bust, Thighs, chin,
midriff
Gives you dandruff, and it finds you a job
It is a job

And it strips the phone company free
Take ten for five exchange
And it gives you denture breath
And you know it's a friend, and it's a companion
And it gets rid of your traveler's checks
It's new, it's improved, it's old-fashioned
Well it takes care of business
Never needs winding
Never needs winding
Never needs winding

Gets rid of blackheads, the heartbreak of psoriasis
Christ, you don't know the meaning of heartbreak,
buddy
C'mon, c'mon, c'mon, c'mon
'Cause it's effective, it's defective
It creates household odors
It disinfects, it sanitizes for your protection
It gives you an erection
It wins the election

Why put up with painful corns any longer?
It's a redeemable coupon, no obligation
No salesman will visit your home
We got a jackpot, jackpot, jackpot
Prizes, prizes, prizes, all work guaranteed
How do we do it
How do we do it
How do we do it
How do we do it

We need your business
We're going out of business
We'll give you the business
Get on the business
End of our going-out-of-business sale

Read the easy-to-follow assembly instructions

Step right up
Step right up
Step right up

You got it buddy, the large print giveth
And the small print taketh away
Step right up
You can step right up
You can step right up
C'mon step right up
Get away from me kid, you bother me

Step right up, step right up, step right up
C'mon, c'mon, c'mon, c'mon, c'mon
Step right up
You can step right up
C'mon and step right up
C'mon and step right up
