1 - [Chilli and T-Boz]  
Let's take our time baby  
Love lasts forever  
Over and over  
We'll love together  
Oh, oh, oh, oh

[Chilli]  
Come here, next to me  
And let me make you high  
No mistakes, we will make  
A long time, we will love

Repeat 1

[Chilli]  
Kiss me, hold me tight  
And let's get wet tonight  
Happiness is pleasing you  
So let me make you cry

Repeat 1

Yeah baby, ahh  
\*laughs\*

2 - [Chilli and T-Boz]  
Slowly, deep inside me  
Hold me, kiss my body  
Only you can make me oh so easy  
Slowly, deep inside me  
Hold me, kiss my body  
Only you can make me oh so easy

Repeat 1

Repeat 1 & 2 (simultaneously)
