If you want money in your pocket  
and a top hat on your head  
a hot meal on your table  
and a blanket on your bed  
well today is grey skies  
tomorrow is tears  
you'll have to wait til yesterday is here  
Well I'm going to New York City  
and I'm leaving on a train  
and if you want to stay behind and  
wait til I come back again  
well today is grey skies  
tomorrow is tears  
you'll have to wait til yesterday is here  
If you want to go  
where the rainbows end  
you'll have to say goodbye  
all our dreams come true  
baby up ahead  
and it's out where your memories lie  
well the road's out before me  
and the moon is shining bright  
what I want you to remember  
as I disappear tonight  
today is grey skies  
tomorrow's tears  
you'll have to wait til yesterday is here
