Cut me some slack give me a nine
put me back in heads of time
tryna' go back where I belong
with you baby all day long
tryna' fall back when I cry
hold my head up when you hide
from the distance I have found
between me and you tonight
tonight
tonight
tonight

When you wake up next day
remember everything I say
all the good things that I've said to you
during the whole yesterday
even though we are still young
we know what we're doing wrong
we cut out some slack
and give each other a nine
tonight
tonight
tonight

hold my breath and take me away
those were the words you continuously said
you made problems easier this way
I keep on dreaming of you of you tonight
tonight
tonight
tonight

Cut me some slack give me a nine
put me back in heads of time
tryna' go back where I belong
with you baby all day long
tryna' fall back when I cry
hold my head up when you hide
from the distance I have found
between you and me tonight
tonight

tonight
tonight

tonight
tonight
tonight
and give each other a nine
