let go by Karmadelaluna

Let go of fear

Let go of pain

Let go of fear

Let go of pain

Cause it's all about love

And the love is in you

Prepare for the future

Don't hang on to yesterday , oh no

Cause time will make it better

Good things come to those who wait

Brothers and sisters

Look into each other's eyes

We want peace in this world

For everyone

We want peace in this world

We want peace in this world

Throw your hands up , everybody

Throw your hands up

Don't you know that your soul is the keeper of your faith
