Been shanghaied down in Laredo
The sunshine sticks to the dusty floor
I'm listening for the pay phone
A flask rolls in through a hole in the screen door

The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river

Guess you found out that you can't hold your liquor
Keep your eyes shut, it'll go down quicker
The cat's in the bag and the bag's in the river, now
Stolen from a shoe box those sweet snapshots
blackmail on rocks

Nickels on a squirt gun
The jailbirds sing at the crack of dawn
We got records, they're locked in my head
I gotta a feeling this deal has gone bad

The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river

Well, put it in the car, got revenge in my liver
Just pass the sign, outside the city limit
The cat's in the bag and the bag's in the river, now
Stolen from a shoe box those sweet snapshots
blackmail on the rocks

Laredo, Laredo

The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river
The cat's in the bag and the bag's in the river

Well, put it in the car, got revenge in my liver
Just pass the sign, outside the city limit
The cat's in the bag and the bag's in the river, now

Stolen from a shoe box those sweet snapshots
blackmail on rocks
