Tomahawk - Stone Letter Lyrics

Well I'm upset, cause I can check  
It's like I'm relying, speaking free  
Like we used to be for such a long time  
Well I throw you a stone letter smooth or rough  
I hoá<sup>1</sup>—e you read it one day, and feel the love

Chorus:

I throw it, stone letter  
Thinking I could know you better  
Cause I don't know you, know you anymore  
I wrote it, you got it  
But tonight, ya thought about it, you don't know me,  
know me anymore

Baby your, your skeleton is talking too loud  
I think I hear, I think I'm near your forest of clouds  
Watching you degrade yourself, is degrading me  
I got no say but you know, I go lower than you think

Chorus:

I throw it, stone letter  
Thinking I would know you better  
Cause I don't know you, know you anymore  
I wrote it, you got it  
But tonight, thought about it, you don't know me, know  
me anymore

na-na-na-na-na-na  
na-na-na-na-na-na  
na-na-na-na-na-na  
na-na-na-na-na-na

Chorus:

I've said it, stone letter  
Thinking I could show you better  
Cause I don't know you, know you anymore  
I wrote it, you got it  
But tonight, you felt that rock and, you don't know me,  
know me anymore

I said it, you read it  
I said it, you read it
