Lots of hey-ya's

I'll tell the joyfull kids to play in the light.  
Then wont you come along, listen every one.  
We're dancing in the sun.

I'll tell the joyfull kids to play in the light.  
Then wont you come along, listen every one.  
We're dancing in the sun.

I'll tell the joyfull kids to play in the light.  
Then come along,  
we're dancing in the sun.

I'll tell the joyfull kids to play in the light.  
Then come along,  
we're dancing in the sun.
