wach them run wach them fall wach them try to catch a
ball olympicks at the special olympics wach them laugh
wach them drool wach them fall in to the pool thats
diving and i know for well that i will burn in hell but
those guys playing wheelchair basketball got to be about
the funniest friking thing i have ever seen in my life at
the special olympics (spoken) Verse two. kid with downs
wins the race even though he stood in place olympics at
the special olympicks round his neck gold medals hung
resting on his giant tounge olympicks at the special
olympics but that kid with ising cus these games are a
beautiful thing ok im really just avoiding karma cus i
dont want children born crippled or blind and some are
retired to spend all my time at the special olympicks.
