if i could be a super hero, i would be awesome man, i,d
fly around the world fighting crime acording to my
awesome plan. And if I saw a criminal trying to lie,
hurting other people and making them cry, i'd haul
them off to jail in my awesome van, because i would be
awesome man, (spoken)now some crimals want u to be
a criminal and offer you drugs, but we no what to do
kids, we just say "no".. If i could be a super hero, id be
drug free boy, telling the world of the evils of drugs
and all of the lives they destroy, well i'd take all the
junkys getting so high with thier needles and bong
and there sticks made of tie, as i burn them alive i'd
squeel with joy, because i would be drug free boy.

If i could be a super hero, i'd be immigration dude, i'd
send all of the foriners back to their home, for eating
up all of out food,and taking our welfare and best jobs
to boot, like landscaping , dishwashing and picking our
fruit, i'd pass a lot of laws to get rid of their
brood.Because i would be immigration dude.

(spoken)Kids, you can make up your own super hero, if
you did, who would it be?...

If you could be a superhero, would it be justice guy?
making sure people get what they deserve, especially
women who lie, like if a wife left her husband and 3
kids with no job, to run off to F**ing HAwai with some
doctor named Bob, You can skin then and drain them
of blood so they die,espeically bob,then you can be
justice guy, or you can be more subtle, i didnt mean to
be vague, give her the mad cow disease let him die of
the plaue, as long as they suffer for ther terrible
lie,especially bob, then you would be a super hero
like...me!
