Honey, I'm brainwashed
'Cuz you make me stoned

Honey, I'm brainwashed
'Cuz you make me stoned

Honey, I'm brainwashed
'Cuz you make me stoned

Honey, I'm brainwashed
'Cuz you make me stoned, for awhile
Swallowing my mind, with your black hole
Your deep soul
(Your deep soul)

Honey, I'm brainwashed
'Cuz you make me stoned, for awhile
Swallowing my mind, with your black hole
Your deep soul
(Your deep soul)

Honey, I'm brainwashed
'Cuz you make me stoned, for awhile
Swallowing my mind, with your black hole
Your deep soul
(Your deep soul)
