Happiness and loneliness
Happiness and loneliness
And loneliness

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of
yourself?
How you looked to other girls

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of
yourself
How you looked to other girls

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of
yourself?
How you looked to other girls

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of
yourself?
How you looked to other girls

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of
yourself?
How you looked to other girls

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of

yourself?
How you looked to other girls

Happiness seems to be loneliness
And loneliness chilled my world
How could you guess, when you're only thinking of
yourself?
How you looked to other girls
