written by Shelby Lynne and Bill Bottrell)

Black light blue

Heaven's perfect hue

the ultimate possession

the game you couldn't lose

the voice in the corner

the song you hardly knew

the terrible admission

some tragic lonely tune

slow the Spanish dancer on a stage

Black light blue

is tearing me in two

a mad revelation

Shakespeare isn't true

the raising of the glasses

the falling into sin

dying in the desert

the loners lonely end

in the shifting sand oasis

Black light Blue

cock-a-doodle-do

calling for the innocent

the taming of the shrew

the muting of the colors

the mystical review

trying for forever, is what you'll never do

there you stand, alone

Black light blue
