In the dark I can hear you whisper

shadows still, move across the distance

What did you say, it's okay

Did you miss me

Did you miss me

Make it mine, takin' time, forgotten

speak for me, silent plea, surrender

What did you say, it's okay

Did you miss me

Did you miss me

You know at times I wondered

if you ever thought of me

and I wondered if you wanted to be free

like me, and I needed to feel you and

I wondered did you miss me baby, oh yeah

Turn to gray, bluer shade, when the sun comes

Peaceful time, cease your mind, Dreamsome

What did you say, it's okay, oh baby

Did you miss me

Did you miss me

Did you miss me

Did you miss me
