Light a light before this
Right in front of me
I need to tell you

You'll see
Mmm, call your name out loud now
Call just to see
I call out to tell you to listen for me

Then I stand on your shoulders
I see the way
Oh, and just beyond the brickers

Yeah, just me and my dad
We found a way to find a way
To be glad, oh

And then I stand on your shoulders
I see the way another time over
I'll see you again
Again, oh, again

And then I stand on your shoulders
I see the way another time over, yeah
I stand on your shoulders
I see the way, yeah

And now you
And now you
And now you
