What did I say?
I said I'm out of fear
She said where will you go?
Out there on your own

And hey, will you be alright?
If I leave you alone?
Do you need to
Someone to make you home?

Wait until morning
Wait until morning
Wait 'till the sun comes up
Wait for the day, just don't wait for me

Was it something I said to make you mad?
No, you just wanted more of me
But all I had, in this chance to be strong now
To be alone, so I'll hit the ground running
Sorry, so

Wait until morning
Wait until morning
Wait 'till the sun comes up
Wait for the day, yeah, just don't wait for me

I make this more than ordinary, yeah
So we can forget, yeah
We'll keep this thing open wide, yeah
Unless there's no regrets

Yeah, oh, wait until morning
Wait until morning
Wait 'till the sun comes up
Wait for the day, yeah, yeah, yeah
Just don't wait for me

No, don't wait for me
No, don't wait for me, yeah, yeah
Don't wait for me
No, don't wait for me, yeah
