I listen for your footsteps

Coming up the drive

Listen for your footsteps

But they don't arrive

Waiting for your knock dear

On my old front door

I don't hear it

Does it mean you don't love me any more.

I hear the clock a'ticking

On the mantel shelf

See the hands a'moving

But I'm by myself

I wonder where you are tonight

And why I'm by myself

I don't see you

Does it mean you don't love me any more.

Don't pass me by don't make me cry don't make me
blue

'Cause you know darling I love only you

You'll never know it hurt me so

How I hate to see you go

Don't pass me by don't make me cry

I'm sorry that I doubted you

I was so unfair

You were in a car crash

And you lost your hair

You said you would be late

About an hour or two

I said that's alright I'm waiting here

Just waiting to hear from you.
