You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by And when two lovers woo

They still say I love you
On that you can rely
No matter what the future brings

As time goes by
Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman needs man
And man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die

The world will always welcome lovers
