I don't care about winning
I don't care about the loser
I just remember when I watched you draw my mind
So don't forget about the atom
And don't forget all that you taught 'em
But you remember how the things that left you blind

It's the end of your world as you know it
It's the end of your world as you know it
As I open up my eyes to you,
Miles and miles you run
It's the closest thing to attitude
Woah oh woah oh ooh
Woah oh woah oh ooh

I'm an ocean swimmer motion
You're a love for my solution
But now we wake up in a room without you, yeah
So do you think about it dreamer?
Do you think we'll ever see her?
Just like a river, you will flow throughout my mind.

It's the end of your world as you know it
It's the end of your world as you know it
As I open up my eyes to you,
Miles and miles you run
It's the closest thing to attitude
Woah oh woah oh ooh

As I open up my eyes to you,
Miles and miles you run
It's the closest thing to attitude
Woah oh woah oh ooh
Woah oh woah oh ooh
Woah oh woah oh ooh
Woah oh woah oh ooh
