[Haas G.]

I can definitely hold (hold) a title  
Drink a beer and fold, the suckas are legit  
Who told (told) the public that we weren't bold  
(Now that's a definite disgrace)  
Disgrace (yeah)  
So I have to give the public what they want  
(Fear) is just a total disruption of my stunt  
(You're being very blunt)  
Now I'll unto a method that's new to start a hunt (How?)  
Well, I kick it like so you see, I'm a UMC  
Giving giving blows three forces of nature  
Earth, wind, fire, let's negate the  
Good cause I'm bad with the skill to create the  
Quite slick, various tricks of the know how  
Of a master like Col. Powell

[Kool Kim]

Kick up, now that's just a common expression when I  
pick up  
And start to teach my first lesson  
(Arithmetic, reading, and writing) Not too exciting  
I'll pick up on teachings that orchestrate my kingdom  
Based upon elements of lyrics I bring them  
Stone by stone (but did you build it alone?)  
No kid was prone to seek it alone  
From the kid who did, sell a party well  
(Do tell) Oh well, I done told on  
(Wait up hold on) Nah, watch him flow on  
So on, so on, watch me grow on  
I keep growing til I start to sneeze  
(What's Mark salad's G's?) Blue cheese

[Haas G.]

Blue cheese is the topic at hand  
Cheesy blue (true) elements can't stand  
When I elaborate on the fake calobrate  
Non potent forces of a food for a rodent  
(Jokes?) Nope, just comes later  
The procreator, I'm the one that saved the  
Year of 1991, made it obvious for the entire world to

find the fun  
Or better yet we (kind of clever) get  
The level said "check" all hands on deck  
For the source of my skill is all real  
Fashioned to eliminate the weak who are marked with  
the seal  
Of blue cheese

[Kool Kim]

Now back to the nest at the foot of the tree  
One for the hype MC, the cool in me  
The Kim, the cooling, I'm a slave for no man  
Stand like low pants, slam like Rodan  
Who can? (You can?) Damn, I'm grand dad  
Step off the runway, I'm preparing for landing  
Three-point drop turn stop and freeze  
Spin 360 degrees for blue cheese
