I?m the chairman  
(Chairman of the board)  
I?m the chairman baby  
(Chairman of my baby?s board)

When it come to lovin'  
I?m a businessman  
I wheel and deal  
Whenever I can

I?m the chairman  
(Chairman of the board)  
Baby, I?m the chairman, yea  
(Chairman of my baby?s board)  
You know that I am the chairman baby  
(Chairman of the board)  
Alright

I?m the man to see  
I?m a love educator  
Known the world over baby  
A smooth operator

When my baby needs me  
Anytime of the day  
She?s just got to call me  
And I?m on my way

I?m the chairman  
(Chairman of the board)  
Baby I?m your chairman, now now  
(Chairman of my baby?s board)

Yeah yeah, I?m the chairman baby  
(Chairman of the board)  
Ooh, honey you know I am your chairman  
(Chairman of my baby?s board)

I take pride in the way that I please  
Satisfaction baby, guaranteed  
When it come to lovin' I?m there on the case  
When it come to lovin' baby, I?ve never lost a race

I'm the chairman  
(Chairman of the board)  
I'm the chairman baby  
(Chairman of my baby's board)

You know I'm your chairman now now  
(Chairman of the board)  
Baby I'm your chairman, yes I am  
(Chairman of my baby's board)

Alright, well

Alright, listen

I'm the chairman  
(Chairman of the board)  
Chairman baby  
(Chairman of my baby's board)

I'm the chairman  
(Chairman of the board)  
Baby I'm your chairman, yes I am  
(Chairman of my baby's board)

Early in the morning  
(Chairman of the board)  
Late in the midnight hour  
(Chairman of my baby's board)

Late in the midnight baby  
(Chairman of the board)  
All night long, honey you know I will  
(Chairman of my baby's board)

I'll be takin' care of your business  
(Chairman of the board)  
I'm the chairman of the board  
(Chairman of my baby's board)

All night long  
(Chairman of the board)  
All night, all night, all night  
(Chairman of my baby's board)
